Getting Started

emocha will send you a text message with 2 links and a username. Follow these instructions to log in.

> **MESSAGES** now
>
> Hi Jane, welcome to emocha Health. We are partnered with your school. Take these 3 simple steps to enroll:
>
> 1. Download the app: http://onelink.to/8y7tfv
>
> Create your password: https://app.emocha.com/patient-rest-password/c317c
>
> 3. Your username is: jdoe1
>
> Any questions? Call us at 410-220-5655.

The first link in will take you to the App Store to download the emocha app.

Multiple accounts in one household will have this image appear upon log-in.
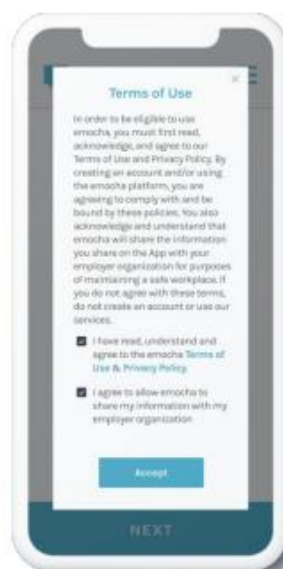

The second link will take you to a password setup page. **Note: Your password must contain at least 8 characters, with at least one capital letter and one number.**

Open the emocha app and log in with assigned username from the text message and newly created password.

You will submit consent to emocha's Terms & Conditions and can then log into the app with username and password.

Once you are logged into the app, you will begin to submit your check-ins. A brief visual app overview will explain protocol.

Daily Check-in*   (Without symptoms)

Check in with emocha as recommended.

Answer the symptom-related and COVID-19 community exposure questions.

Record temperature reading. If you do not have a thermometer, you can skip this screen.

01 Home

Welcome to emocha. If you have any COVID-19 related questions or concerns please call xxx-xxx-xxxx.

NEXT

If ready to submit, tap "Next" to begin a submission.

Expiration: 6/2/20

5/28   5/29   5/30   5/31   6/1

The combination of data entered related to temperature, symptoms, and exposure determines the color of the digital badge.

Digital Badge

Color-coded digital badges communicate your return-to-learn status. Follow the instructions pertaining to each badge color.

SDJA will be monitoring daily check-ins through a reporting dashboard, so there is no need to show your badge when you arrive at school. If you forget to check-in before arriving at school, you may check in via the app, or manually, using a temperature scanner at the nurse's office, front desk, or any of the assistant principal offices.

Menu
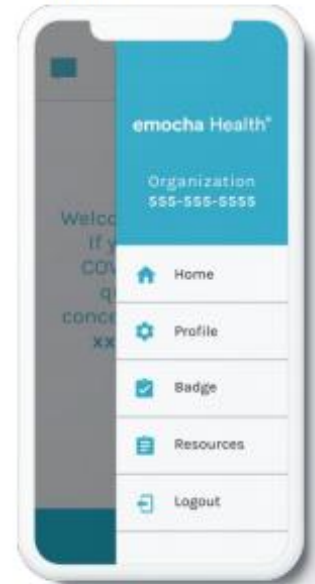

Tap on menu and tap "Badge" to see your badge status.

Green Badge

Yellow Badge

Gray Badge

Your responses about your temperature, symptoms, and exposure determine the color of the digital badge. **Note**: if you do not have a thermometer, you will receive the green badge with the yellow "no thermometer" icon.

A gray badge is displayed when you forget to check-in.
