

Elimination of the Pick-up / Drop-off System

Dear families,

Thanks to the improvement in the Covid situation and seeking to return to our “normal” as as soon as possible, we have decided to eliminate the Pick-up / Drop-off System that was implemented since the beginning of the pandemic.

This action will allow parents to park and access the facilities to review any matter related to our programs, chat with the Staff, take a look at our activities or simply hang out on campus, among other things.

It is important to clarify that starting this week **the Janichim will no longer be taken by the Mardrichim to the usual Pick-up areas**, so we ask, especially to the parents of Yonathan, to park and wait for your children right outside of the Mifkad, which will be held once again at the Hockey Rink.

In case of having older children and not wanting to park and step out of your cars, we ask that you establish a Pick-up plan with your children from the beginning of the day to avoid unnecessary disorder.

For Mini Maccabi, we strictly ask for the Janichim to be dropped off and picked up at their classrooms, so parents have to park and walk their kids to the corresponding building. During Pick-up, we ask Mini Maccabi parents to pick up their children at 4:20pm, before Maccabi ends (4:30 pm).

We greatly appreciate your understanding and support in continuing to strengthen our community.

Sincerely,
